

Excerpt from Fifty-Second Coal Report of Illinois, 1933 The report as a whole shows some improvement over last year, as will be seen by a study of the comparative tables which follow. We are happy to say that the industry has been free of any major disaster during the year, and, indeed, had the lowest fatality record of any year since 1897. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
