

This wholesome, steadily selling TV tie-in series holds its audience with its entertaining mix of magic, adventure, and girl power. When Sabrina doesn't have the time to finish reading the classic novel *The Hound of the Baskervilles*, she summons the main character and famous sleuth, Sherlock Holmes, to give her the 411 on the book. But when Sabrina's professor brings his dog Baskerville to class, Sabrina has a magical allergic reaction that nearly turns the Mortal Realm into the Animal Kingdom.
