

This comprehensive research companion examines the theory, practice and historical development of the principle of federalism from the ancient period to the contemporary world. It provides a range of interpretations and integrates theoretical and practical aspects of federalism studies more fully than is usually the case. The volume identifies and examines nascent conceptions of the federal idea in ancient and medieval history and political thought before considering the roots of modern federalism in the ideas of a number of important European political theorists of the sixteenth through eighteenth centuries. The contributors focus on the development and institutionalization of the principle of federalism in the American Republic and examine the historical development and central policy debates surrounding European federalism. The final sections investigate contemporary debates about theories of federalism and regional experiences of federalism in a global context including Africa, India, Australia, the Middle East, and North and South America. The scope and range of this volume is unparalleled; it will provide the reader with a firm understanding of federalism as issues of federalism promise to play an ever more important role in shaping our world.

They Thirst, King of Capital: The Remarkable Rise, Fall, and Rise Again of Steve Schwarzman and Blackstone, Spotlight on the Rise and Fall of Ancient Civilizations: China, Atlas of World Art, There Once was a Serpent: A History of Theology in Limericks, The European Magazine, And London Review, Volume 51..., Dallintimita del roveto (Italian Edition), The Feminine Power of Success: 12 Innate Skills Every Woman Should Know, Illustrations of Indian ornithology : containing fifty figures of new, unfigured and interesting species of birds, chiefly from the south of India, Worship Innovations (Vol. 2): Easy Bible Drama,

Intended to be international and interdisciplinary in scope, the books in the series are designed to build a common framework for the constructive analysis of federalism. Contributions are welcome on topics which explore federalism as a theory; as a political system and as a form of conflict management. The Ashgate Research Companion to Federalism. Front Cover.
