

Nightmares really do come true, and for fifteen-year-old Kyler Birkwood, they are just beginning. Raised on a farm by his Aunt Martha, Kyler has no clue about the magical heritage swimming through his blood. When he discovers evidence of a mythical creature, a terrifying beast thought only to exist in fairy tales, his safe world shatters. Left at a school of magic to hunt for clues, he is overwhelmed and disbelieved. As loved ones begin disappearing and Orcs roam the land, Kyler must undergo a journey that takes him from the High Courts of the King to the unknown forests of the East. His magic just awakening, Kyler is the lone hope for a world that will not listen.
